

Kiss With a Fist

Florence + the Machine

You hit me once
I hit you back
You gave a kick
I gave a slap
You smashed a plate over my head
Then I set fire to our bed

You hit me once
I hit you back
You gave a kick
I gave a slap
You smashed a plate over my head
Then I set fire to our bed, oh

My black eye casts no shadow
Your red eye sees nothing
Your slap don't stick
Your kicks don't hit
So we remain the same
Love sticks
Sweat drips
Break the lock if it don't fit

A kick to the teeth is good for some
A kiss with a fist is better then none

A kiss with a fist is better then none

I broke your jaw once before
I spilled your blood upon the floor
You broke my leg in return
So sit back and watch the bed burn
Love sticks
Sweat drips
Break the lock if it don't fit

A kick in the teeth is good for some
A kiss with a fist is better then none, oh

A kiss with a fist is better then none

You hit me once
I hit you back
You gave a kick
I gave a slap
You smashed a plate over my head
Then I set fire to our bed, oh

You hit me once
I hit you back
You gave a kick
I gave a slap
You smashed a plate over my head
Then I set fire to our bed
