

# Lets Dance

## Hi Tack

Call up all your friends and wear the latest trends  
This is your chance to get up and dance  
Let's strike up a pose at the disco  
In our hot pink stilettos Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey Everybody knows how the beat goes  
Tell the DJ to turn up the stereo  
Let's play at the rave  
This song is like my total fave Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey Hello Kitty hair barrettes and lime green fish nets  
We're the highlight of the nightlife  
It's disco insanity  
Everybody's fantasy  
Get up and dance with Scotty Vanity Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Pshyeah
