She Said Yeah!

Larry Williams

Dam deedle dee dam dam
Little girl, where did you come from
Try a little bit to make my mouth dribble
Come on baby, let's ride away in the rain Baby you drive me crazy
Drive my poor heart hazy
Just a little bit
A little while with you
Come on baby, let's ride away in the rain She said yeah, dam deedle dee dam dam
She said yeah, dam deedle dee dam dam
She said yeah, yeah yeah yeah
Come on baby I want to make love to you Well you drive me crazy
Dam deedle dee dam dam
My love is lazy
Dam deedle dee dam dam
Little miss I want to kiss
Come on baby, won't you do what I wish She said yeah, dam deedle dee dam dam
She said yeah, dam deedle dee dam dam
She said yeah, yeah yeah yeah
Come on baby I want to make love to you Yeah, ow! Well I got the feeling, dam deedle dee dam dam
In my soul, dam deedle dee dam dam
I'm gonna love you, you know
One night or another
Come on baby, let me hear you say you love me She said yeah, dam deedle dee dam dam
She said yeah, dam deedle dee dam dam
She said yeah, yeah yeah yeah
Come on baby I want to make love to you
