

# Just a Kiss (feat. Megan Nicole)

## Boyce Avenue

Lying here with you so close to me  
It's hard to fight these feelings  
When it feels so hard to breathe  
Caught up in this moment  
Caught up in your smile I've never opened up to anyone  
It's so hard to hold back  
When I'm holdin' you in my arms  
But we don't need to rush this  
Let's just take it slow Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
No, I don't wanna mess this thing up  
I don't want push too far  
Just a shot in the dark that you just might  
Be the one I've been waiting for my whole life  
So baby I'm alright  
With just a kiss goodnight I know that if we give this a little time  
It'll only bring us closer to the love we wanna find  
It's never felt so real  
No, it's never felt so right Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
No, I don't want to mess this thing up  
I don't want push too far  
Just a shot in the dark that you just might  
Be the one I've been waiting for my whole life  
So baby I'm alright  
With just a kiss goodnight No, I don't want to say goodnight  
I know it's time to leave  
But you'll be in my dreams  
Tonight  
Tonight  
Tonight Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
No, I don't want to mess this thing up  
I don't want push too far  
Just a shot in the dark that you just might  
Be the one I've been waiting for my whole life  
So baby I'm alright Whoa whoa...  
Let's do this right  
With just a kiss goodnight

With a kiss goodnight  
Kiss goodnight
