Dougla Woman

David Rudder

Dougla Woman (1999) (David Rudder)

Dougla woman, spin your magic over me
Dougla woman, light me fire set me free
Dougla woman, spin your magic over me

Dougla woman, eyes so bright like a shining star
Dougla woman, you mix my mind up, like you are
Dougla woman, spin your magic over me

Dougla woman, let me understand your soul
Dougla woman, turn this feeling into gold
Dougla woman, spin your magic over me
