

# Douglá Woman

David Rudder

Douglá Woman (1999) (David Rudder)

Douglá woman, spin your magic over me  
Douglá woman, light me fire set me free  
Douglá woman, spin your magic over me

Douglá woman, eyes so bright like a shining star  
Douglá woman, you mix my mind up, like you are  
Douglá woman, spin your magic over me

Douglá woman, let me understand your soul  
Douglá woman, turn this feeling into gold  
Douglá woman, spin your magic over me
