Anniversary

Marques Toliver

When I Saw YouI Knew That It WasLove
When I Saw YouI Knew You Were MyLoveI Saw Side Of Me, And Yet It Was So Lovely
Because He Chode Me To Your Soul
And Know I Know That Youre The One For MeIts Like I Die And Went To Heaven
A Body Shook And I Cant Help It
You Help Me Break Down All These Walls, Now I Dont Feel so Lonely(And If I) Never Leave This Life Again
(And If I) I Told You To Take My Hand
(And If I) Help The People Understand
And If IAnd If I
(And If I) Say I Was On A Journey
(And If I) To Find Out why Love Hurt
All The Kings Horses And All The Kings Men
Couldnt Work Together Again
Couldnt Work Together AgainIn A Flash Of a MomentAll My Fears Were Opened
Standing Right In Front Of Me, These Obstacles They Cant Take My Resolve
To Save You, I Will Find You My Love
Because Im Gonna Take It To The Next Level
Yes The Bass, And The Means, And The Treble
Ive Got A Fire Burning Inside Me, Dont Know If You Can HandleIts Like I Die And Went To Heaven
A Body Shook And I Cant Help It
You Help Me Break Down All These Walls, Now I Dont Feel so Lonely(And If I) Never Leave This Life Again
(And If I) I Told You To Take My Hand
(And If I) Help The People Understand
And If IAnd If I
(And If I) Say I Was On A Journey
(And If I) To Find Out why Love Hurt
All The Kings Horses And All The Kings Men
Couldnt Put It Together Again
Couldnt Put It Together Again
