

Don't Quit

Smokie Norful

Hey Listen
The economy's down
Prices seem so high
Seems like all I ever do is
Try and try (try and try)
Tryin to make ends meet
Tryin to pull my self above
So I can see
But every now and then it seem so (helpless hopeless)
But Im a livin breathin testimony of what God can do
If you hold on long enough
He will see you through Even when the enemy says this is it
I want to encourage you whatever you do (Whatever you do)
Just dont (just dont quit) Ive got my own set of challenges yeah yeah yeah
And my friendships sometimes they wear a little thin
I even began to wonder if my own family is (out or in)
Im tryin to make sense of my life
Im tryin to overcome all that's not right yeah
But sometime you know it seem so helpless hopeless (Oh Oh Oh Oh Oh) Even when things don't go your way
You gotta hold on to your faith (Oh)
Just remember that you're not made to be defeated Even when the enemy says this is it (Oh Oh)
What ever you do (Hey)
Just dont quit (Oh Oh Oh Oh)
Dont quit (the race is not given to the swift neither is it given to the strong)
Dont give in (Cause its already written yeah)
We win in the end (we win in the end)
So hold on (even when the devil says to give up and just throw in the towel I came to encourage you)
Whatever you do (just dont)
Just dont quit (Oh Oh Oh Oh Oh) Dont quit (because the race is not given to the swift neither is it given to the
strong)
Dont give in (because its already written yeah)
We win in the end (Oh Oh Oh Oh)
So hold on (I dont care what the devil says youre not made to be defeated)
Whatever you do (Oh Oh yeah)
Just dont quit Hold on (yeah)
Dont give up
Hold on
Just dont quit (help me sang it yall)
Hold on (Oh yeah)

Dont give up (Hey yeah)
Hold on (what ever you do my brother)
Just dont quit (dont you dare give up)
Hold on (what ever you do my sista)
Dont give up (your not made to walk in defeat)
Hold on (but God has already provided your victory)
Just dont quit (hey you gotta speak over your own life)
Hold on (and say though he slay me)
Dont give up (yet will I trust Him Im gonna hang on in there)
Hold on (because I know who and whose I am)
Just dont quit (yeah yeah yeah yeah yeah yeah yeah)
Hold on (no weapon formed against me shall prosper)
Dont give up (so I can stand right here and look at the devil)
Hold on (and say im not going to move Im like a tree planted by the water)
Just dont quit (yeah yeah yeah)
Hold on (greater is he that is in me)
Dont give up (than he thats in the world yeah yeah)
Hold on (and Im more than a conquer because I know my God loves me)
Just dont quit (whatever whatever you do)
Hold on (dont you dare give up)
Dont give up (Oh Oh Oh Oh Oh Oh Oh Oh Oh)
Hold on (hey just dont quit)
Just dont quit Whatever you do (I dont care what your friends say about it)
Whatever you do (and sometimes you cant listen to what your own family has say about it)
Whatever you do (I was looking at CNN but I cant let that bother me or hinder me)
Whatever you do (yeah.)
Whatever you do (Just dont quit) Look at somebody and say dont quit
Your one hallelujah away from your breakthrough dont quit
Your one thank you Jesus away from your promotion dont quit
Your one glory to God away from your next level dont quit
Your one bless your holy name away from God blown your mind
