

# Got To Believe In Magic

Willy Cruz

Take me to your heart  
Show me where to start  
Let me play the part of your first love  
All the star are right  
Every wish is ours tonight, my love

Pity those who wait  
Trusting love to fate  
Findin out too late they've lost it  
Never letting go  
They will never know the ways of love

Got to believe in magic  
tell me how two people find each other  
In the world's that full of strangers  
You've got to believe in magic  
Something's stronger than the moon above  
coz it's magic when  
two people fall in love

I may never know  
Why I need you so  
All I need to know is this feeling  
Handle it with care  
We were born to share this dream my love
