# Chosen Generation

## Chris Tomlin

We are a chosen generation
Rise up, holy nation
God, we live for YouYou have called us out of darkness
Into light so glorious
God, we live for You
We live for You
God, we live for YouWe run with passion for Your name, we run
Freedom, You've broken every chain, we run
Our God will not be moved
Our God will never be shaken
We run to You, we runWe are a chosen generation
Rise up, holy nation
God, we live for YouYou have called us out of darkness
Into light so glorious
God, we live for YouWe run with passion for Your name, we run
Freedom, You've broken every chain, we run
Our God will not be moved
Our God will never be shaken
We run to You, we runWe are a chosen generation
Rise up, holy nation
God, we live for YouYou have called us out of darkness
Into light so glorious
God, we live for YouOur God will not be moved
Our God will never be shaken
Our God will not be moved
Our God will never be shakenOur God will not be moved
Our God will never be shaken
We run to You, we runWe are a chosen generation
Rise up, holy nation
God, we live for YouYou have called us out of darkness
Into light so glorious
God, we live for You'Cause You are everything
More than all we need
God, we live for You
God, we live for YouI've found this world to be
Not enough for me
God, we live for You
God, we live for YouGod, we live for You
God, we live for YouWe are a chosen generation

Rise up, holy nation
God, we live for YouYou have called us out of darkness
Into light so glorious
God, we live for YouCome on, sing, we are
We are a chosen generation
Rise up, holy nation
God, we live for YouYou have called us out of darkness
Into light so glorious
God, we live for You
We live for You
God, we live for You
