

I Won't Leave You Lonely

[Shania Twain](#)

Together, midnight in summer
The air's so much warmer
Falling in love under starlight
Holding on so tight, together I won't leave you lonely tonight
I want you to hold me all night
It's gonna be alright
I won't leave you lonely tonight Imagine the air filled with jasmine
The breeze blows with passion
You and me dance with desire
The moon is on fire, imagine oh I won't leave you lonely tonight
I want you to hold me all night
It's gonna be alright
I won't leave you lonely tonight Je t'aime beaucoup mon amour
You are the one I adore I won't leave you lonely tonight
I want you to hold me all night
It's gonna be alright
No, you won't be lonely tonight Oh I need your love
Te amo mucho mi amor
You are the one I adore
Te amo
