ESCAPADE

Thievery Corporation

As I was walkin' by, saw you standin' there with a smile
Lookin' shy you caught my eye thought you'd want to hang for a while
Well, I'd like to be with you and you know it's Friday too
I hope you can find the time this weekend to relax and unwindMy mind's tired, I've worked so hard all week
Cashed my check, I'm ready to go
I promise you, I'll show you such a good timeCome on baby, let's get away
Let's save your troubles for another day
Come go with me, we've got it made
Let me take you on an escapade
Let's goEscapade, we'll have a good time
Escapade, leave your worries behind
Escapade, well you could be mine
Escapade, an escapadeSo don't hold back just have a good time
We'll make the rules up as we go along
And break them all if we're not havin' funCome on baby, let's get away
Let's save your troubles for another day
Come go with me, we've got it made
Let me take you on an escapadeCome on baby, let's get away
Let's save your troubles for another day
Come go with me, we've got it made
Let me take you on an escapade
Let's goEscapade, we'll have a good time
Escapade, leave your worries behind
Escapade, well you could be mine
Escapade, an escapadeMy mind's tired, I've worked so hard all
Worked so hard all week
I just got paid, we've got it made ready to go
I promise you, I'll show you such a good timeCome on baby, let's get away
Let's save your troubles for another day
Come go with me, we've got it made
Let me take you on an escapadeCome on baby, let's get away
Let's save your troubles for another day
Come go with me, we've got it made
Let me take you on an escapade
Let's goCome on baby, let's get away
Let's save your troubles for another day
Come go with me, we've got it made
Let me take you on an escapade
On an escapade baby
