

# You've Got Love

## The Crickets

You got two lips that look so fine  
You got one heart I wish was mine  
Love sweet love  
You've got love (genuine love) You got two arms that you could use  
To make me lose my blues  
Love sweet love  
You've got love (real fine love) You've got love real love  
You've got love sweet love  
You've got love that is true  
I want only you You got two eyes so you can see  
Your love was meant for me  
Love sweet love  
You've got love (you've got love)
