

# Maze

**ITM**

The overhead view is of me in a maze  
And you see what I'm hunting a few steps away  
But I take a wrong turn and I'm on the wrong path  
And the people all watching enjoy a good laugh  
Embarrassed with failure, I try to reverse  
The course that my tread had already traversed  
So doing the trauma engulfing my dream  
Invaded through what was an ungarded seam  
The torrent of helplessness swept me away  
To the cavern of shame and the hall of dismay  
Inside me a voice was repeating the phrase  
'You lost it, you'll never get out of this maze'

[illegible]

(You'll never get out of this maze)  
You'll never get out of this maze  
(You'll never get out of this maze)  
You'll never get out of this maze  
(You'll never get out of this maze)  
You'll never get out of this maze  
(You'll never get out of this maze)  
You'll never get out of this maze  
(You'll never get out of this maze)
