

# Feel Like A Woman

Elle Varner

I ain't complaining  
Ain't got no reason to complain  
My breath is taken  
Baby, you got me saying damn!  
What a difference between a boy and a man  
Can't believe I've been missing this all along  
It's so wrong, so good, had to put you in a love song!  
[Chorus:] I don't really know what you're doing  
But I feel like a woman with you  
Feel like a woman with you!  
I can only pray you ain't fooling  
Oh, like so many other brothers would do  
Like so many others would do!  
ooooh

I can't explain it  
And yet theres so much to explain  
Since I've been taken  
Baby, you got me saying damn!  
What a difference between a boy and a man  
Can't believe I've been missing this all along  
It's so strong, so good, had to put you in a love song!  
[Chorus:] I don't really know what you're doing  
But I feel like a woman with you  
Feel like a woman with you!  
I can only pray you ain't fooling  
Oh, like so many other brothers would do  
Like so many others would do!  
ooooh

You know I love you baby right

OK, OK

It seems I got you feeling oh so feminine  
First lady Michelle'n it  
Tory Burkes, Tiffany blue boxes is your evidence  
See you reap the benefits of me stackiin up my presidents  
And I perform with such excellance, these other brothers irrelevant  
Sip slow let that settle in, I give you kisses that heaven sent  
Give you love of like seven men  
Yeah I?m getting your messages, like where you at, come through

I know what I'm doin I could write a book too  
Slap my photo on the back of that man  
Major got you coming back for that thing, I'm just saying  
[Chorus:] I don't really know what you're doing  
But I feel like a woman with you  
Feel like a woman with you!  
I can only pray you ain't fooling  
Oh, like so many other brothers would do  
Like so many others would do!  
ooooh  
A yo Veezy,  
B Major  
OOhhh, yeah yeah yeah yeah yeah  
OOhhh, yeah yeah yeah yeah yeah  
OOhhh, yeah yeah yeah yeah yeah  
OOhhh, yeah yeah yeah yeah yeah  
I can only pray you aint foolin (yeah yeah yeah yeah yeah)  
Like so many other brothers would do  
Like so many others would do  
Ooooooohh, nah nah nah nah nah
