

# Hey Mr. Brown

## Wheatus

Man, I think it's just a little sleazy  
You said you was like butter, but you're cheesy  
To treat me like I'm spinner bait; you can't wait  
Go fish off some other dock[Chorus:]  
Hey, Mr. Brown, don't have a cow  
Just compensate me!  
Hey, Mr. Brown, don't have a cow  
Just compensate me!  
Hey, Mr. Brown, don't have a cow  
Just compensate me!  
You're gonna have to prove it to me! If I don't call you back, your head spins  
If I told you what I think, you'd shit your linens  
It's just another interview, nothing new  
But they don't even know my name[Chorus]
