

Sweet Revenge

Pat Green

Well I ain't looking for an indication

Apologies or a consolation

Pull them up and burn the roots

And kill their horses and steal their boots Yeah, sweet revenge

Went to the river some years ago
And it didn't do much to save my soul

But I found out my saving grace

Is a little chrome steel in a warm dark place I got sweet revenge
And there's no second chance and there's no half
way

The first time you're sorry and the second time you pay

You got your prayers when all else fails Yeah, sweet revenge
Well my left eye know what my right eye sees
There's a line down that appears to me

Find the place and hide awhile

Let 'em dance in the devils fire I got sweet revenge
I ain't looking for an indication

Apologies or a consolation I got sweet revenge

A sweet revenge

A sweet revenge
