

# Know Me

## P.O.D.

Take 5 second, think about my crew, who am I P.O.D.

[Chorus]Listen my cry, What do you hear?

Live my breath, How do you feel?

Look my soul, What do you see?

Imagine a moment, You don't know me

Take five seconds and listen up, Open your mindIn face, you never even seen me never been where I am

Never met me face to face, but persist to talk behind my back

I ain't got nothing to loose, been down since the beginning

'cause your to scared to be

From, where I'm at, or even be me so check me, test me,Stop and stare at me not who you are[Chorus]

No class, when you talk about another how can you say

Reap what I've sown, it all goes along with my past

It's not the first time I've struggled and it won't be the last

But my faith keeps me difference between me and you holmes

You love me, when you hate your brother, you smother

Is that I'm forgiven, I got your back if you're down with my crew

I looked to him, so I don't answer to you[Chorus]Who am I, I am you

[8x]

[4x]

Listen my cry and tell me, I know you hear me

I'm just like youLive my breath and tell me, I know you feel me

Look my soul, and tell me, I know you see me

I know you love me
