Bad Apple

Apollo Ghosts

This chamber can't come back to put this war
Deal with it, another comes back
Only 'cause another came back
My gods sing up with bad apple
My gods sing up with bad apple

Children are the key, come back to a man that's old
Deal until another turns black
Only 'cause another came back
My gods sing up with bad apple
My gods sing up with bad apple

My gods sing up with bad apple
My gods sing up with bad apple
It's how, it's how, it's how I feel
It's how, it's how I feel
It's how, it's how I feel
It's how

Reach out, I'm me
Reach out, I'm me
Reach out, I'm me
