Wise Up

Eljai

It's not what you thought
When you first began
You got what you want
Now you can hardly stand it
Though by now you know
It's not going to stop
It's not going to stop
It's not going to stop
Till you wise up
You're sure there's a cure
And you have finally found it
You think one drink
Will shrink you till you're underground and aiming down
But it's not going to stop

It's not going to stop
It's not going to stop
Till you wise up
Prepare a list of what you need
Before you sign away the deed
'Cause it's not going to stop
It's not going to stop
It's not going to stop
Till you wise up
No, it's not going to stop
Till you wise up
No, it's not going to stop
So just give up
