

# Fire Never Sleeps (with Martin Smith) [Live]

## Jesus Culture

I feel the heat is rising the flames on the horizon are at my door  
I'm staring at the ruins the embers of our brokenness are scattered on the floor  
This Fire never sleeps, this Fire never sleeps I see that hope is coming so pull me from the ashes ignite my soul  
Please burn away the darkness, Your love is like a furnace where Fire never sleeps Burn all my soul set me on  
fire  
Burn all my soul light up the fire  
Burn all my soul Stop, I never want to miss You something new is being born and we were born for this Lord, we  
know our day is coming when we look into Your eyes and see Fire that never sleeps  
This Fire never sleeps, this fire never sleeps Burn all my soul set me on fire  
Burn all my soul light up the fire  
Burn all my soul, Your Fire never sleeps, Your Fire never sleeps  
Purify my heart, purify my heart  
Spirit fall on us, Spirit fall on us
