

Paranoia

Brain Police

Take your cup I hope that no one's watching
There's no time to see who's on there way
Could it be a living of your fear
Old enough for every lie, yeah
You know it's not me I use to be free
Living like the innocent you thought I could be
You know the way it's got to be
Take me to the edge of the line
You're not for real
Yeah

Paranoia
Paranoia

Who will play the battle for next triton
Who will hold the chasing nowhere place
Could it be the stranger who hide here
Show enough the puzzle, feel mine
How could it be me I know it's not real
Bleeding for the sanity I got to believe
You know the way it's got to be
Take me to the edge of the line
You're not for real
Yeah

Paranoia
Paranoia

All my feelings are strong enough to fight me
Burning up my skin to see my pain
Could it be a living of your fear
Old enough for every lie, yeah
You know it's not me I use to be free
Living like the innocent you thought I could be
You know the way it's got to be
Take me to the edge of the line
You're not for real
Yeah

Paranoia

Paranoia

Won't you help me
Go away crazy

I feel a revolution
Need to feel the pain

Oh please won't you help me
Need to feel the pain

Paranoia
Paranoia
