

Talking Bout You

Hurricanes

Let me tell you bout a girl i know
I met her walking down her home town street
She's so fine you know i wish she were mine
I get shook up every time we meet
I'm talking bout you
Nobody like you
I do mean you
I'm just tryin' to get a message to you
Let me tell you bout a girl i know
Let me tell you how she look so good
Got such a skill such a beautiful build
She oughta be someone in Hollywood
I'm talking bout you
Nobody but you
I do mean you
I'm just tryin' to get a message to you
I'm talking bout you
I do mean you
I'm talking bout you
I do mean you
Talking bout you
