Deuce

Overkill

Get up and get your grandma outta here
Pick up, Old Jim is workin' hard this year
Baby, do the things I says to do, do itBaby, if you're feeling good
Baby, if you're feeling nice
You know your man is workin' hard
He's worth a deuce[Incomprehensible], don't put your man behind the years
Baby, stop cryin' all your tears
Baby, do the things I says to do, do itBaby, if you're feeling good
And baby, if you're feeling nice
You know your man is workin' hard
He's worth a deuceBaby, if you're feeling good
And baby, if you're feeling nice
You know your man is workin' hard, oh
