

Man We Was Lonely

[Paul McCartney](#)

Man, we was lonely, yes, we was lonely
And we was hard pressed to find a smile
Man, we was lonely, yes, we was lonely
But now we're fine all the while I used to ride on my fast city line
Singing songs that I thought were mine alone, alone
Now, let me lie with my love for the time
I am home, home, home Man, we was lonely, yes, we was lonely
And we was hard pressed to find a smile
Man, we was lonely, yes, we was lonely
But now we're fine all the while Now, let me lie with my love for the time
I am home, home, home Man, we was lonely, yes, we was lonely
And we was hard pressed to find a smile
Man, we was lonely, yes, we was lonely
But now we're fine all the while But now we're fine all the while
But now we're fine all the while
