

# Hey Joe.

## Jimi Hendrix

Hey Joe, where you goin' with that gun of your hand  
Hey Joe, I said where you goin' with that gun in your hand, oh  
    I'm goin' down to shoot my old lady  
You know I caught her messin' 'round with another man  
    Yeah, I'm goin' down to shoot my old lady  
You know I caught her messin' 'round with another man  
    Huh! and that ain't cool  
    Huh hey hoe, I heard you shot your mamma down  
        You shot her down now  
    Hey Joe, I heard you shot your lady down  
        You shot her down in the ground yeah!  
        Yeah!  
        Yes, I did, I shot her  
    You know I caught her messin' round messin' round town  
        Huh, yes I did I shot her  
    You know I caught my old lady messin' 'round town  
        And I gave her the gun  
        And I shot her  
        Alright  
    Shoot her one more time again baby!  
        Yeah!  
        Oh dig it  
        Oh alright  
        Hey Joe,  
    Where you gonna run to now where you gonna go  
        Hey Joe, I said  
    Where you gonna run to now where you gonna go  
        I'm goin' way down south  
        Way down to mexico way  
        Alright  
        I'm goin' way down South  
        Way down where I can be free  
        Ain't no one gonna find me  
        Ain't no hang-man gonna  
    He ain't gonna put a rope around me  
        You better believe it right now  
        I gotta go now  
        Hey, Joe  
        You better run on down

Goodbye everybody  
Hey, hey Joe...
