

Love is Hell (early mix)

[Ryan Adams](#)

There's strange weather in the back of the room
And she's pretty, Jessy's spinning the tunes
Eyelashes and some white leather boots
God what have I been drinking?
I could be serious, but I am just kidding around
I could be anything, anything but sticking around Love is hell
It's raining I can see it outside
Funny I'm still in it
Just sitting here with Johnny and Raph'
Until the room starts spinning
I could be serious, but I am just kidding around
I could be anything
Nothing
Whatever, oh well
Love is hell
