

Anejo

Burn Halo

Have we gotten crazy?
We're all fucked up in our own ways
It's time to open your eyes Seem so blind and jaded
Just because we're not the same
We're getting used to the lies We can't be what they wanted
It changes everything Take a look at the face in the mirror
Don't be another bitch in a magazine
Let it go, it'll all disappear
Nothing is real inside this masquerade
We're all just living in a dream It's all overrated
Nothing's worth the price you're paying
If you change who you are Wipe that look off your face
It's okay to wonder
Just don't change who you are We can't be what they wanted
It changes everything Take a look at the face in the mirror
Don't be another bitch in a magazine
Let it go, it'll all disappear
Nothing is real inside this masquerade
We're all just living in a dream Get lost, get lost, get lost inside yourself
You're just the fool I thought you'd be Take a look at the face in the mirror
Don't be another bitch in a magazine
Let it go, it'll all disappear
Nothing is real Take a look at the face in the mirror
Don't be another bitch in a magazine
Let it go, it'll all disappear
Nothing is real inside this masquerade
We're all just living in a dream Get lost, get lost, get lost inside yourself
Get lost, get lost
Get lost, get lost, get lost inside yourself
Get lost, get lost
