

What a Fool Believes (with Sara Evans)

The Doobie Brothers

He came from somewhere back in her long ago
The sentimental fool don't see
Trying hard to recreate
What had yet to be created once in her lifeShe musters a smile
For his nostalgic tale
Never coming near what he wanted to say
Only to realize
It never really was[Chorus]
She had a place in his life
He never made her think twice
As he rises to her apology
Anybody else would surely know
He's watching her goBut what a fool believes he sees
No wise man has the power to reason away
What seems to be
Is always better than nothing
And nothing at all keeps sending himSomewhere back in her long ago
Where he can still believe there's a place in her life
Someday, somewhere, she will return[Chorus]But what a fool believes he sees
No wise man has the power to reason away
What seems to be
Is always better than nothing
There's nothing at all
But what a fool believes he sees
