

# Throw a Bomb

## Mustard Plug

I had a bad day so I said to myself Gunna show this world my time has come So I went to the store and bought me some gas I wanna have fun, gunna raise some hell Gunna go and blow up everyone Poured it into my old man's flask Called all my friends to join along And now.... I wanna throw a bomb Gunna throw a bomb tonight Second day was as bad as the first I thought it'd get better, it only got worse Then I got fired cause me boss, he's a jerk! Had a flat tire, was late to work I ain't got no money So I called up my girl or a bite of food she gave me the boot Can't take no more Gunna blow up the town I wanna throw a bomb Yeah I..... Militia, Freeman, IRA Zapitistas down by Mexico way Feminists, Panthers, Radical gays Right to lifers have your say Anarchist punks in the USA Shiites, contras, break away Once you start you're here to stay So come on everybody, Lets bomb today
