Master Of The Universe

Sick Puppies

If you want to know how far to go to hell
Just ask me
If you want to see the view from your knees
Come down and join me
I'm the final straw
The nail in the coffin
Just by being who I am
Is so GoddamnedI'm not the master of the Universe
I walk the Earth the wrong way
Met my potential and fulfilled the worst
My best is cursed the wrong wayYour glass is half, his glass is full
My glass is empty
You're running short of not enough
Well I got plenty
I've come a long way
I went the wrong way
And who I am
Is so GoddamnedI'm not the master of the Universe
I walk the Earth the wrong way
Met my potential and fulfilled the worst
My best is cursed the wrong wayAnd when I die I'm gonna fly and come and get you
And when you try and run I'll be the curse above you
It's gonna end
It's gonna endIn the race for disaster I will come in first
That's what I've learned
The hard wayWhat?!If you want to know how far to go to hell
Just ask me
If you want to see the view from your knees
Come down and join meI've come a long way
I went the wrong way
I've come a long way
I went the wrong way
I've come a long way
I went the wrong way
