I couldn't understand what she was saying some of the time
Thus making my services useless
so; Hey there buddy chum pal friend buddy pal chum bud friend fellow brother amigo pal buddy friend chummy
chum pal!
I don't mean to be rude, my friend pal homeslice breadslice dawg
But I gotta warn ya!
If you take one more diddly darn step right there, I'm gonna have to diddly darn snap your neck and wowza
wouldn't that be a crummy juncture huh?
Do you want that?
Do u wish upon yourself into physical experience with a crummy juncture?
Because friend buddy chum friend chum pally pal chum friend if you keep this up then well gosh diddly darn I
just might have to get not so friendly with you my friendly friend friend pal friend buddy chum pal pally friend
chum buddy
