

# Nightmares by the Sea

## Katatonina

Beware the bottled thoughts of angry young men  
Secret compartments hide all of the skeletons  
Little girl wants to make her home with him  
In the middle of the shore she wonders "Don't know what you asked for"  
"Don't know what you asked for" All young lovers know why  
Nightmares blind their minds eye  
Your rube is young and handsome  
So new to your bedroom floor  
You know damn well were you? Il go I've loved so many times  
And I've drowned them all  
From their coral graves they rise up  
When darkness falls  
With their bones they'll scratch the window  
I hear them call "Don't know what you asked for"  
"Don't know what you asked for" Stay with me under these waves tonight  
Be free for once in your life tonight
