

# Please Do Not Let Me Go (Live In Stockholm)

Ryan Adams

If the walls in the room could talk  
I wonder to myself, would they laugh?  
It's like some kind of jail  
Beams of light  
Fall through the curtains onto the bed  
I'm all alone now, I can do as I please  
I don't feel like doing much of anything  
True love ain't that hard to find  
Not that you will ever know  
Would you leave me for awhile?  
Please do not let me go  
Please do not let me go You were sweet enough to sing  
Oblivious to melody  
Red suitcase full of clothes  
Washed up on a shore of memories  
I'm all alone now, and I feel just fine  
I don't feel much like doing anything  
True love ain't that hard to find  
Not that either one of us will ever know  
Would you lay here for awhile?  
Please do not let me go  
Please do not let me go
