Some Kinda Rush

Unquote

Feels like some kinda rush

Yeah, yeah, so good

Wanna show you how I feel

Cant get enough, turn it upIts like some kinda drug

Irresistible urge

It flows through my body

Its lifting me upSo outta control

Taking over my soul

I cant escape it

'Coz Im caught in the zoneMy pulse flows to the tempo, oh I

I just cant escape

Feeling time and time again

Cant stop coz Ive never felt so aliveFeels like some kinda rush

Yeah, yeah, so good

Wanna show you how I feel

Cant get enough, turn it upFeels like some kinda rush

Yeah, yeah, so good

Wanna show you how I feel

Cant get enough, so turn it upWhat feeling is this?

A desirable bliss

Gives me butterflies

Feels like my first kissI just cant deny

I need this feeling to heal

My belief in the momentMy pulse flows to the tempo, oh I

I just cant escape

Feeling time and time again

Cant stop coz Ive never felt so aliveFeels like some kinda rush

Yeah, yeah, so good

Wanna show you how I feel

Cant get enough, turn it upFeels like some kinda rush

Yeah, yeah, so good

Wanna show you how I feel

Cant get enough, so turn it upSome kinda rush

Cant get enough

So turn it upSo turn it up

So turn it up

So turn it up

So turn it upFeels like some kinda rush

Yeah, yeah, so good

Wanna show you how I feel
Cant get enough, turn it upFeels like some kinda rush
Yeah, yeah, so good
Wanna show you how I feel
Cant get enough, so turn it up
