

# Relapse

## Divided By Friday

I don't wanna be somebody falling into relapse  
Every time I see that smile again.  
I just think of when...

Erase, erase.

I try my best, but I cannot forget your face.  
I'm afraid it's found this place inside my mind  
Now I can't hide the way I'm feeling.  
Every time I try, I end up saying,  
"Please don't come back."

I don't wanna be somebody falling into relapse  
Every time I see that smile again.  
I just think of when you said,  
"I love you, but I don't think I can be the one."  
And the truth is, we could've been happy,  
But you would not believe in me.

Now it just repeats, repeats.  
I can barely breathe cause regret keeps choking me.  
Did you forget that we said,  
"I'm never gonna leave you,  
Always gonna keep you right here next to me"?  
So why am I the only one?  
The lonely part of "we"?  
Please don't come back.

I don't wanna be somebody falling into relapse  
Every time I see that smile again.  
I just think of when you said,  
"I love you, but I don't think I can be the one."  
And the truth is, we could've been happy,  
But you would not believe in me.

You got me thinking  
Closure isn't what I need  
When I'm half of what I should be.  
Have we lost it completely?  
And no, I can't pretend I'm fine  
With the life you left behind.

Or keep on hoping that you'll change your mind.

I don't wanna be somebody falling into relapse  
Every time I see that smile again.  
I just think of when you said,  
"I love you, but I don't think I can be the one."  
And the truth is, we could've been happy,  
But you would not believe in me.

Why can't you see?

I don't wanna be somebody falling into relapse  
Every time I see that smile again.  
I just think of when

I don't wanna be somebody falling into relapse  
Every time I see that smile again.  
I just think of when you said,  
"I love you, but I don't think I can be the one."  
And the truth is, we could've been happy,  
But you would not believe in me.

I said,  
"I love you, but I don't think you can be the one."
