Slow Motion

Ultravox

No reply, I'm trying hard
To somehow frame a reply
Pictures I've got, pictures
And I run them in my head
When I can't sleep at nightLooking out at a white world and the moon
I feel a soft exchange taking place
Merging with the people on the page
Blurring my face and conversationSlow motion
Slow motionHush, can you feel the trees so far away?
Hush, can you feel the breeze of another day?When we held each other close in the night
While we wheeled away in our own light
Stepping sideways into our own time
Such a simple waySlow motion
Slow motionAnd we held each other close in the night
While we wheeled away in our own light
And some of us found another time
And drifted awaySlow motion
Slow motion
