

Slow Motion

Ultravox

No reply, I'm trying hard
To somehow frame a reply
Pictures I've got, pictures
And I run them in my head
When I can't sleep at night Looking out at a white world and the moon
I feel a soft exchange taking place
Merging with the people on the page
Blurring my face and conversation Slow motion
Slow motion Hush, can you feel the trees so far away?
Hush, can you feel the breeze of another day? When we held each other close in the night
While we wheeled away in our own light
Stepping sideways into our own time
Such a simple way Slow motion
Slow motion And we held each other close in the night
While we wheeled away in our own light
And some of us found another time
And drifted away Slow motion
Slow motion
