

# Shiver

Jack Anderton

You build me up, you knock me down  
Provoke a smile and make me frown  
You are the queen of run around  
You know it's true  
You chew me up and spit me out  
Enjoy the taste, I leave in your mouth  
You look at me, I look at you  
Neither of us know what to do  
And there may not  
Be another way to your heart  
So I guess I'd better find a new way in  
I shiver when I hear your name  
I think about you but it's not the same  
I won't be satisfied 'til I'm under your skin  
Immobilized by the thought of you  
Paralyzed by the sight of you  
Hypnotized by the words you say  
Not true but I believe 'em anyway  
So come to bed it's getting late  
There's no more time for us to waste  
Remember how my body tastes

You feel your heart begin to race  
There may not  
Be another way to your heart  
So I guess I'd better find a new way in  
I shiver when I hear your name  
I think about you but it's not the same  
I won't be satisfied 'til I'm under your skin  
You feel your heart begin to race  
There may not  
Be another way to your heart  
So I guess I'd better find a new way in  
And I shiver when I hear your name  
I think about you but it's not the same  
I won't be satisfied 'til I'm under your skin, yeah  
There may not  
Be another way to your heart  
So I guess I'd better find a new way in

And I shiver when I hear your name  
I think about you but it's not the same  
I won't be satisfied 'til I'm under your skin, yeah
