Rescue Me

Unions Oh, my love I think I'm drowning  
Take me down into the deep  
Been so long since I've been found, yeah  
So won't you come, won't you come and rescue me Spent my mornings just a searching  
Wandering down these roads alone  
Sleepless nights I'm left believing  
That you'll come, that you'll come and rescue me  
Won't you come, won't you come and rescue me Save me, my love  
Take me from the hands of the sea  
Oh save me please, my love  
And come, won't you come and rescue me Waking from a night of drinking  
Lost beneath our willow tree  
In the wind I hear you breathing  
You say you'll come, say you'll come and rescue me  
Say you'll come, say you'll come and rescue me Save me, my love  
Take me from the hands of the sea  
Oh save me please, my love  
And come, won't you come and rescue me Save me, my love  
Take me from the hands of the sea  
Oh save me please, my love  
And come, won't you come  
Oh come, won't you come and rescue me
