Kind Woman

Buffalo Springfield

I got a good reason for loving you
It's an old fashioned sign
I kinda get the feelin' like mmm, you know when
I fell in love the first time
Kind woman, won't you love me tonight?
The look in your eyes
Kind woman don't leave me lonely tonight
Please say it's all right
Remember once before hearing the old folks say
Love's an ageless old rhyme
But now a days you know the sayin' depends so much on
The kind of woman that you find
Kind woman, won't you love me tonight?
The look in your eyes
Kind woman don't leave me lonely tonight
Please say it's all right
Kind woman, won't you love me tonight?
The look in your eyes
Kind woman don't leave me lonely tonight
Please say it's all right
