

# Unholy War

## Lord Belial

Impious visions  
Glorification of malevolence  
Craving for a sacrifice  
Rising as the fiery flames  
Quenching life by the thousandsRise  
Slay them all  
Rise  
As the fiery flamesUnited we shall stand, divided we will fall  
Discipline and hate shall conquer them all  
None left behind, show no mercy  
Slay them all and rise as the fiery flamesRise  
Slay them all  
Rise  
As the fiery flames
