

# Two Weeks

## Strapping Young Lad

Save up all the days  
A routine malaise  
Just like yesterday  
I told you I would stay  
Would you always  
Maybe sometimes  
Make it easy?  
Take your time  
Think of all the ways  
Momentary phase  
Just like yesterday  
I told you I would stay  
Every time you try  
Quarter half the mile

Just like yesterday  
I told you I would stay  
Would you always  
Maybe sometimes  
Make it easy?  
Take your time  
Would you always  
Maybe sometimes  
Make it easy?  
Take your time  
Always, sometimes  
Easy, time
