

# I Want You

Thalia

No one else can ever  
No one else can ever  
No one else can ever  
Yeah, uh  
Yeah, uh  
What did I  
Do to deserve such a man so special in my life  
So many days and nights  
I get on the go while I sit and wait for mister right  
Baby, then came you  
Laidback with your sexy smile  
When you move your body you just drive me wild  
If you're feeling me, baby, tell me now  
Because I want you, I want you  
Baby, no one else  
Can ever want you like I do  
I'm feelin' love in the deepest fall, give you the  
Keys and all  
You even when helped me when the beef was on  
Tell me what you feel  
'Cause I'm feeling something real  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you  
Can't you see  
How this love affair would be good for you and me  
'Cause baby, I swear no other man can do  
The things that you do when you love me  
Oh, baby, you're my lifetime fantasy  
So smooth, love the way you walk  
I just love to hear when you talk your talk  
So if you're feeling me, baby, let me know  
Because I want you, I want you  
Baby, no one else  
Can ever want you like I do  
  
I'm feelin' love in the deepest fall, give you the  
Keys and all  
You even when helped me when the beef was on  
Tell me what you feel

'Cause I'm feeling something real  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you, babe  
Slow down, love  
Don't you see me with my girl, what you thinkin' it  
Was  
I know you're used to seein' me in the clubs  
Different chicks, sippin' Cris', just a million in  
Dubs  
But I've changed, only got eyes for her  
Believe me, ain't no girl dividin' us  
We could maybe elope, have a baby and all  
'Cause I don't wanna be a player no more  
Baby, no one else  
Can ever want you like I do  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you  
Tell me what you feel  
'Cause I'm feeling something real  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you  
Baby, no one else  
Can ever want you like I do  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you  
Tell me what you feel  
'Cause I'm feeling something real  
I feel the same way, you make the Don say  
Girl, I want you, girl, I need you  
Baby, baby, baby ,baby  
Baby, baby, baby, baby
