Street Player (Remastered)

Chicago

I'll never forget those aimless years
Street sounds swirling through my mind
Trouble was often in the air
So we fought to forget our despairI'm a street player
And I'll play you a song
'Cause you know, my heart & soul
Will carry, carry on
Carry on
Carry on
Carry onCity life's the only way
Street corners and billiard halls was our home away
Lessons learned still help me todayI'm a street player
I've seen it all
Hit men, thieves and many a brawl
But as you see I still stand tallIt was such a small space in time
I never knew that I would find
A musical path for all to see
Anxiety into ecstasyI'm a street player
I'm a street player
I'm a street player
I'm a street playerI'm a street player
I've seen it all
Hit men, thieves and many a brawl
But as you see I still stand tallIt was such a small space in time
I never knew that I would find
A musical path for all to see
Anxiety into ecstasyI'm a street player
I'm a street player
I'm a street player
I'm a street player
