

King of Somewhere Hot

Jimmy Buffett

I've traveled all around the world
And there are places that still stand out to me
None can really quite compare
To my island in the sea My personal Utopia
A place to run to where I can hide away
Where I can truly reign supreme
Somewhere fresh and clean where a man can dream I'm king,
(King)
King of somewhere hot
I'm king
(King)
Like every man should be
I'm king
(King)
King of somewhere hot Where the music in my soul
(Music in my soul)
Makes me start to lose control
(Start to lose control)
And I'll melt right on the spot I'm the king of somewhere hot
(Hot)
King of somewhere hot
(Hot)
King of somewhere hot
(Hot)
King of somewhere hot
(Hot) Now you just rent yourself a tile and dance the night away
Just like the locals do
A million miles from Robin Leach, life is just a beach
So far out of reach I'm king
(King)
King of somewhere hot
I'm king
(King)
Like every man should be
I'm king
(King)
King of somewhere hot Where the music in my soul
(Music in my soul)
Makes me start to lose control

(Start to lose control)
And I'll melt right on the spot I'm the king of somewhere hot
(Hot)
King of somewhere hot
(Hot)
King of somewhere hot
(Hot)
King of somewhere hot
(Hot)
So hot Some day I hope to find my queen I know she'll come my way
I'll give her all my love
It's not a complicated thing someplace I can swing
Where a man can be a King I'm king
(King)
King of somewhere hot
I'm king
(King)
Like every man should be
I'm king
(King)
King of somewhere hot I don't care how hard you look
(Don't care how hard you look)
Ooh you won't find me in the book
(Won't find me in the book)
'Cause I'm here right on the spot Oh! I'm the king of somewhere hot
(Hot)
King of somewhere hot
(To trot)
King of somewhere hot
(Hot)
Hot to trot
King of somewhere hot
(To trot)
(King of somewhere hot)
