

# Straight Shooter

## Skinny Molly

Don't get me mad, don't tell no lie

Don't make me sad, don't pass me by

Baby are you holding, holding anything but me?

'Cause I'm a real straight shooter, if you know what I mean You can bring me love, you can hang around

You can bring me up, don't you bring me down

Baby are you holding, holding anything but me?

'Cause I'm a real straight shooter, if you know what I mean I've been searching all night

Just to find what I'm looking for

Baby, baby, treat me right

Or I won't come round your door, no more You can bring me love, you can hang around

You can bring me up, don't you bring me down

Baby are you holding, holding anything but me?

'Cause I'm a real straight shooter, if you know what I mean I've been searching all night

Just to find what I'm looking for

Baby, baby, treat me right

Or I won't come round your door, no more Don't get me mad, don't tell no lie

Don't get me sad, just get me high

Baby what your holding, half of that belongs to me

'Cause I'm a real straight shooter

(Baby don't you get me down) I'm a real straight shooter

(I've been searching all night long)

I'm a real straight shooter

Baby if you know what I mean

If you know what I mean
