Colors

Kira Willey

I am green today
I chirp with joy like a crickets song
I am gray today
Gloomy and down like a morning fog
I am orange today
Loud and messy like finger paint on the wall
I am red today
Hopping mad like a playground ball
I am black today
Strong and tall like a great big bear
I am purple today
Bright and happy like a butterfly in the air

I'm a rainbow today
All the colors of the world
I'm a rainbow today
All the colors of the world
I'm a rainbow today
All the colors of the world are in me

I am yellow today
I shine my light out like the sun
I am white today
Soft and quite like new snow
I am blue today
Calm as glass and cool like the sea

I'm a rainbow today
All the colors of the world
I'm a rinbow today
All the colors of the world
I'm a rainbow today
All the colors of the world are in me
All the colors of the world are in me
