Going Going Gone

Paloalto

I'll give myself some energy
I took it from the shot
I make myself reanimate and turn awayI can see the road I'm running on
It's dangerous from the start
Then my soul and my enemies were thrown awayCHORUS:
What he doesn't know
I'm not going on
I'm not gonna stay this way again
What he doesn't know
I'm not going home for daysIt took mysoul from my canopy
I knew it from the start
Within myself and my energies were thrown awayI can see the road I started from
It's stable from the course
Right then my start and my ending race were thrown awayCHORUSAll this time I'm pacing for it, out of order
All this time I'm pacing
It really doesn't matter if you fight me, fight me, fight me, fight me...CHORUS
