

# Boy You Should Listen

Nicole

Ooh, oh, ooh, oh  
Ooh, yeah, ooh, yeah  
Ooh, yeah, ooh Mama always warned me 'bout boys like you  
She said that all you wanna do is run over me like shoes  
And takin' take me to ya crib and try to find somethin' sweet  
Wanna be the first to run and tell, you took my virginity But I know I'm gon' hold out until I know 'bout love  
Kisses and hugs, I'm sure that that will be enough  
If you just wait, I'm gonna give it to you  
But before I do, this is what I want you to do Boy you should listen  
Baby I ain't concerned  
I know you think I'm flippin'  
But you won't catch me sleepin'  
You won't catch me sleepin' Boy you should listen  
Baby I ain't concerned  
I know you think I'm flippin'  
But you won't catch me sleepin' All the other girls, they are grown as me  
Saying all the stuff they done, now they wanna know about me  
I tell 'em bout me and you, how we be holdin' out  
And no matter what they say  
We're gonna show 'em what love is all about So when we finally do the thing it's gonna be fine like wine  
Ooh, take some time to make sure it's right  
So far as me and you, this is what we gon' do  
But you must listen first to what I'ma say to you Boy you should listen  
Baby I ain't concerned  
I know you think I'm flippin'  
But you won't catch me sleepin'  
You won't catch me sleepin' Boy you should listen  
Baby I ain't concerned  
I know you think I'm flippin'  
But you won't catch me sleepin'  
You won't baby Ooh, oh, ooh, oh, ooh  
Ooh, oh, ooh, oh, ooh Boy you should listen  
Baby I ain't concerned  
I know you think I'm flippin'  
But you won't catch me sleepin'  
You won't catch me sleepin' Boy you should listen  
Baby I ain't concerned  
I know you think I'm flippin'  
But you won't catch me sleepin'

Baby won't you listen It's that alright, yeah, tell what you got to say?  
It's that alright, yeah, tell what you got to say?  
It's that alright, yeah, tell what you got to say?  
...
